

HW 4 Lou (is it Luluella, Lucinda or Louise - I didn't get  
the word -

I had to use this old card because it reminded me of the <sup>as usual</sup> frontal  
attack on the planter bed border - anyway it's worth a laugh  
or even two - and many thanks for lunch and an enjoyable  
time - I had to finish up the GKG Dividend after a 4-hr  
radio stint in RI and all that kept me away from the  
nice-ities of Thankyou notes et al -

Paris Flemonde had rented his house and moved in to NYC  
so that was a flop but it's a lovely drive thru southern  
PA rather than the NJ Turnpike -

here's a bit towards printing costs and as soon as I get  
out from remodelling costs here there'll be another bit believe  
me - I hope you can get George interested enough on Sept  
10 to give you a column - even if it's only page 3 - cheerio

HW -

I find I did not include you on the  
Grassay Knoll Gazette mailing list -  
I guess it was because I didn't  
want to bother you with details  
I know you don't like - but  
here they are and Graft 81 for  
information - hope you have a  
bit of time to read them - you're  
now a regular GKG - complimentary
